

# FREE Square Foot Gardening Workshop

*Transition Towns Kaitaia, TOPIS, Far North Environmental Centre, Te Hauora O Te Hiku O Te Ika and our local community have been working to initiate the Hua Whenua – Community Garden Project and we would love for you to come along and be part of it.*

Our next workshop is on square foot planting. We will be planting up the Organiponico beds we made in June with this technique. It is a great time to meet others in the community and learn for your own home garden

**Date:** Saturday 18<sup>th</sup> July  
**Venue:** Nurses Rec Hall  
Te Hauora O Te Hiku O Te Ika  
49 Redan Road  
Kaitaia  
**Time:** 10am – 12pm  
**To bring:** A hat, some lunch, gloves and 30cm ruler

*Pictures taken from our workshop last month making the Organiponico garden beds.*

For more information on this workshop or the garden contact Callie Corrigan at Te Hauora O Te Hiku O Te Ika on 4084024

This project is supported by Far North Environment Centre, TOPIS, Te Oranga and Kaitaia Transition Towns
